Release Notes

Winpos Mega - Version 1045 SP5 Release

19 December 2023

Issues Fixed

Critical and Severe Issues fixed

- **POS (Guest Check/Tables)**: Fixed an issue with chairs not being visible if a table was opened back and forth between two terminals. (#2042)

- **POS (Guest Check/Tables)**: Fixed an issue where tables would go missing when opening and closing tables between clients. (#2044)

- **POS (Guest Check/Tables)**: Fixes to resolve missing header level data in Guest Checks causing data transfer deadlocks.

- **Winpos Mobile and SoftPay**: Fixed an issue relating to the currency sent to the terminal.
