Release Notes

Winpos Mega - Version 1046 SP7 Release

7 May 2024

Issues Fixed

- **Finvoice**: New version which will support upcoming 25,5% Finnish VAT rate. **(#2680)**

- **Invoices (EcEle and credit invoices)**: Fixed an issue where EcEle would crash when processing receipt numbers larger than 32767 with credit invoices. **(#2484)**

- **KDS**: Fixed a bug where duplicate orders were sometimes shown on the KDS. **(#2608)**

- **Tallink Pre-order**:

  - Issue fixed with printing receipts from Back office. **(#2706)**

  - Minor changes made to Picking list:

    - Spacing around items improved.

    - Items without a shelf location moved to the end of the Picking list.
